

April 29, 2021 – Gas Main Break Update

A gas main break occurred this morning near Stanford St. and Lipton Ave. Santa Monica Fire Department, SoCal Gas, and other response entities have been working throughout the day to ensure the area is safe and resolve the disruption. Residences requiring evacuation have been notified. As a result of utility work, the area between Montana Ave. and Wilshire Blvd. and Yale St. and Centinela Ave. is currently experiencing utility disruptions and utility repair construction impacts. These impacts are anticipated to last until tomorrow evening, April 28. Please see the map below for the impact area.

For residents in the area inconvenienced by the utility outages and construction throughout the evening, **a third party contractor has provided rooms at the Hampton Inn and Suites** located at [501 Colorado Ave, Santa Monica, CA 90401](#). Individuals who need to use hotel services during the disruption are asked to go to the hotel and present identification or other proof that they live in the impacted area to receive hotel accommodations.

SMAAlerts will be distributed when the issue has been resolved. To register for SMAAlerts text SMAAlerts to 888-777. For electricity outage updates visit sce.com/Outage.
